Deepanjali

Diya light has been considered as symbol of Purity and Power in our Indian culture. It is an essential part of all our Indian rituals. Our Deepanjali is based on the same concept to bring happiness and destroy the all negativity to give a fresh and pure start to the new beginning of the life.

We have executed our thoughts behind the concept by incorporating 51 Diya as our exclusive prop in the entry to make the function ritually rich and also make your function grand and opulent with its presence.
